PHOENIX ODYSSEY

Updates <sup>+</sup>

APRIL 2026

## Phoenix Odyssey

As we step into April and the spring season begins to bloom, we hope everyone had a wonderful Easter filled with peace, joy, and time with loved ones. This month's newsletter brings a message of growth, renewal, and important updates from our team. We want to take a moment to sincerely thank you for your continued support and connection it truly means so much to us.

As the season changes, we hope you find moments of clarity, growth, and new beginnings in the weeks ahead.

## Substance Use Disorder (SUD) Treatment Month

## **Autism Awareness & Stress Awareness Month**

April is a time to spread awareness, kindness, and understanding. As we recognize Autism Awareness Month and Stress Awareness Month, we're reminded of the importance of compassion—for others and for ourselves.

Take a moment to be patient, supportive, and gentle. Everyone is navigating something, and a little understanding goes a long way 💙

- **Ironworkers Local 37:** Their apprenticeship application window opens next week, running from **April 16 to April 30, 2026.**
- **Sheet Metal Workers Local 17:** The current application period is open and closes on **April 15, 2026.**

# Program Updates

We're excited to share continued growth within our programs at NEIT in collaboration with Pathways Home and RIDOC. A new Welding class will be starting this month, providing participants with hands-on training and valuable skills.

In addition, we are looking forward to launching our next CNC program in the coming month. These programs, in collaboration with RIDOC and Polaris MEP, continue to create meaningful pathways toward long-term success.
